Under the coordination of Mrs. Sofia Mouratidou, Honorary president of I.R.E.N.E and Mrs. Marianna Papakyriakou, vice - president of the C.A.E.

Round table discussion on:

1. The role of notaries in national and international successions, especially in the context of the Regulation 650/2012

2. The applicable law – law of the member-states of the E.U and law of third states

11.30h: Coffee break

12.00 - 13.30h:

3. European certificate of succession. Who is competent to issue the certificate? The acceptance of the certificate in the different states. Which percentage, approximately, of the total amount of international succession cases has been regulated through this certificate?

4. The authentic instruments (actes authentiques) and their circulation in the european space. Probative force and executory force. Enforceable authentic instruments: which is the mechanism of this enforcement.

5. Public policy (ordre public) according to the Regulation

6. The jurisprudential evolution in the different countries. The jurisprudence of the CJUE. **Coordination by Dr. Christina Chatzidandi, notary in Thessaloniki, member of I.R.E.N.E. and delegate in the C.A.E.**

13.30h: Intervention of Mrs Marianne Sevindik, notary in France, president of the CNUE Working Group on the MAPE project concerning the Regulation 650/2012, its evolution and the proposed recommendations for its better application in the future

14.00h: Lunch

15.00h: Second part: Discussion with the participants

15.30h – 16.30h: The electronic authentic instrument and its circulation

Presentation by Mr. **Pierre Becqué**, president of I.R.E.N.E, of the debate which took place in the Colloquium of Paris in 7 October 2022.

16.30h – 17.00h: Discussion with the participants on the digital practice in their countries.

Conclusions

Languages of the Colloquium: Greek, French, English

Simultaneous interpretation
