

THE FUTURE OF CIVIL LAW NOTARIES : ENSURING INCLUSIVE AND SAFE DIGITAL ECONOMY

Secure digital economy which is the central theme of this seminar must be interpreted broadly. The security in question includes not only technical security in the context of digitalization, but also security in terms of compliance with the prevention of money laundering and terrorism

A safe economy must also be interpreted as an economy that can provide stable and sustainable economic growth for the community, including inclusive development by economic actors, especially micro, small, and medium enterprises, in order to provide equitable welfare for all levels of society without exception.

Panel Discussion:

- 1 The Role of a Notary to Carry Trust and Provide Legal Certainty in Inclusive Economic Growth.
- 2 The Role of a Notary to Carry Trust and Provide Legal Certainty in a Safe Economy.
- 3 The Role of a Notary to Carry Trust and Provide Legal Certainty in Digital Economy.
- 4 The Role of Notary in International Cooperation in Achieving Inclusive and Safe Digital Economy.
